Final Cycle (For trades from 15:00 Hrs till 17:30 Hrs 1ST)*	18:00 Hrs. to 21:00 Hrs 1ST during the trading day**

*From May 15, 2024, the Trading hours have been extended till 18:30 Hrs.

** From May 15, 2024, the Fund settlement timing is from 19:00 hrs to 21:00 Hrs.

➤ **Import of UAEGD Gold through IIBX by valid India-UAE TRQ holders:**

Valid India-UAE TRQ holders as notified by the IFSCA have been permitted by the DGFT to import Gold through IIBX.

➤ **Reserve Bank of India has enabled US Dollar flow to IIBX to enable Valid TRQ holders to import TRQ Gold through IIBX.**

The RBI has permitted AD Category-I banks to allow valid TRQ holders under the India-UAE CEPA to remit advance payment for eleven days for import of gold through IIBX against the TRQ.

➤ **Participation of IFSC Banking Units (IBUs) of Indian Banks for participation as a Trading Member on IIBX**

In addition to branches of Indian banks operating in GIFT-IFSC acting as Professional Clearing Members of IIBX, the RBI has additionally allowed such banks to participate as Trading members and Clearing members of IIBX. RBI has also permitted Nominated Banks to import Gold/Silver through IIBX as a 'Special Category Client'.

➤ **9th India International Bullion Summit: IIBX given the 'Upcoming Bullion Exchange' Award**

IIBX was given the 'Upcoming Bullion Exchange' award at the prestigious 9th edition of the India International Bullion Summit organized by India Bullion and Jewellers Association.

➤ **Extension in Trading Hours for T+0 contracts by 1 hour:**

The Trading hours for T+0 contracts have been extended till 6.30 PM with effect from May 15, 2024.

➤ **Proposed Launch of Chennai Contracts: Delivery of Bullion from Chennai vault**

IFSCA has recently granted registration to an additional vault managed by Brinks India Pvt. Ltd. at J. Matadee Free Trade Warehousing Zone (FTWZ) in Chennai. Soon the ICEGATE software is also expected to be implemented in all SEZs. IIBX has the technology preparedness for the launch of Chennai based T+0 contracts. Accordingly, with the approval of the IFSCA, IIBX can launch the Gold & Silver T+0 Contracts for Chennai Delivery.

➤ **Launch of Gold Futures Contracts:**

IIBX has launched Gold Futures Contracts on June 21, 2024.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
INDIA INTERNATIONAL BULLION EXCHANGE IFSC LIMITED
CIN: U67190GJ2021PLC124952
Unit-1302A, Brigade International Financial Centre, 13th Floor,
Building-14A, Block 14, Zone 1, GIFT SEZ, GIFT CITY,
Gandhinagar – 382355, Gujarat, India.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **INDIA INTERNATIONAL BULLION EXCHANGE IFSC LIMITED** (hereinafter called the Company) Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company is an International Financial Service Centre (“IFSC”) Company which has obtained necessary approval from Central Government for setting up its centre in SEZ. The main purpose of establishing unit is to provide the services as per the **International Financial Services Centres Authority (Bullion Exchange) Regulations, 2020 (“Bullion Exchange Regulations”)** of International Financial Service Centre Authority (“IFSCA”).

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **March 31, 2024** complied with the statutory provisions listed hereunder and the Company has proper Board-processes and Compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2024** according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the Rules made thereunder;

The Company has to maintain the minimum Net Worth of USD 30 million as per the Clause 5(1)(c) of Chapter II of Bullion Exchange Regulation for Exchange Operation and USD 30 million for Clearing Corporation Operation.

As per the IFSCA Circular F. No. 329/IFSCA/Bullion MIIs/2022-23 dated 01.03.2023, considering the initial stage of the Company, the Net Worth criteria was relaxed to the following extent;

Timelines	Bullion Exchange	Bullion Clearing Corporation	MII that is functioning both as a Bullion Exchange and a Bullion Clearing Corporation
By June 30, 2023	USD 10 million	USD 10 million	USD 20 million
By March 31, 2024	USD 15 million	USD 15 million	USD 30 million
By December 31, 2024	USD 25 million	USD 25 million	USD 50 million
By June 30, 2025	USD 30 million	USD 30 million	USD 60 million

The Company has sought the extension from the IFSCA to maintain the above prescribed Network at all the times from time to time and IFSCA extended the timeline vide their Letter No. IFSCA/DMC/RPRMS/Bullion MII/2023/04 dated 03.07.2023 and IFSCA/DMC/RPRMS/Bullion MII/2023/05 dated 01.12.2023.

However the requirement to maintain minimum Net Worth of USD 20 million was further extended to 31.07.2024 by the IFSCA letter No. IFSCA/DMC/MRD/Bullion MII/2024/02 dated 18.04.2024 and minimum Net Worth of USD 30 million was extended to 30.09.2024 by the IFSCA letter No. IFSCA/DMC/RPRMS/Bullion MII/2023/05 dated 01.12.2023.

Independent Auditor's Report

To The Members of **India International Bullion Exchange IFSC Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of India International Bullion Exchange IFSC Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion

thereon, and we do not provide a separate opinion on these matters. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements. The result of our procedures, including the procedures performed provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act and in pursuance of sub-section (2) of the said section of Companies Act 2013(18 of 2013), the provisions of section 197 in respect of the remuneration paid by the Company (licenced to operate by RBI or SEBI or IRDA) to its directors are not applicable to the Company situated in IFSC centres. Hence reporting under section 197(16) of the Act is not applicable to the Company;

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - i) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- 2) a) The management has represented that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented, that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- 3) As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **India International Bullion Exchange IFSC Limited** (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (IFCoR) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed

risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

According to Ministry of Company Affairs (MCA) notification dated March 24, 2021 (Companies Accounts Amendment Rules, 2021), for the financial year beginning on or after April 1, 2023 (date as amended), every company that uses accounting software to maintain its books of account from Financial Year 2023-24 shall use only Accounting Software that has a feature of recording an -

- Audit Trail of each and every transaction,
- Creating an edit log of each change made in books of account along with the date when such changes were made.
- Ensuring that the audit trail cannot be disabled.

An audit trail is an essential tool for financial reporting and is critical for compliance, fraud prevention, reconstruction of events, accountability of user, security for cyber-attacks to ensure accuracy and integrity of the financial data prepared for the year by the company.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. General Information

India International Bullion Exchange IFSC Limited was incorporated in August 17, 2021, to carry on business as an international bullion exchange, international bullion clearing and to promote, assist, regulate, control and associate with the business of purchasing, selling, dealing, clearing and settlement services in all kind of precious metals including gold, silver or any other precious metal in the form of bars or unallocated gold, silver or such other precious metals, as the International Financial Services Centers Authority (IFSCA) may consider relevant in this regard. It is incorporated to facilitate investment, hedging, trading and other related requirements to undertake all activities, functions and responsibilities as may be permitted under the applicable Law, to facilitate and regulate financial services relating to bullion market, bullion clearance and settlement in International Financial Services Centers, set up under Special Economic Zones Act, 2005. It is incorporated to provide specialized, advanced, automated and modern facilities and mechanism for trading, clearing, holding, transacting and settlement of depository receipts of precious metals/products/instruments/contracts/derivatives to ensure trading, completion and guarantee of settlement and to facilitate, promote, assist, regulate and manage dealings and generally facilitate clearing and settlement of transactions in precious metals, products and instruments.

International Financial Services Centers Authority (IFSCA) is a unified authority for the development and regulation of financial products, financial services and financial institutions in GIFT IFSC.

2. Significant Accounting Policies

2.1 Basis of preparation of financial statement

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments), the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the International Financial Services Centers Authority (IFSCA). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousands, as per the requirement of schedule III, unless stated otherwise.

2.2 Functional and presentation currency

a) Functional and presentation currency

United State Dollars (USD) is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. The financial statements are presented in

Indian rupees. The presentation currency is different from functional currency to comply with Income tax and other statutory law.

b) *Transactions and balances*

A foreign currency transaction shall be recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of each reporting period

- (a) foreign currency monetary items shall be translated using the closing rate;
- (b) nonmonetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction; and
- (c) nonmonetary items that are measured at fair value in a foreign currency shall be translated using the exchange rates at the date when the fair value was determined

c) *Translation to presentation currency (Foreign Currency Translation Reserve)*

For the Purpose of Preparation of financial statements in Indian rupees, income and expenses are translated at average rates and the assets and liabilities except equity share capital are stated at closing rate. The net impact of such changes is presented under foreign exchange translation reserve.

2.3 *Use of Estimates and judgment*

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

- a. *Income taxes:* The Company's tax jurisdiction is in India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions. Company is eligible to claim deduction of income, an amount equal to one hundred per cent of the income for any ten consecutive assessment years, out of fifteen years as per section 80LA of Income tax Act, 1961.

- b. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

- c. *Other estimates:* The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

2.4 Financial instruments

Financial assets and financial liabilities are recognised when company becomes a party to the contractual provisions of the instruments.

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trade) are recognised on trade date. While, loans and borrowings and payable are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: financial assets comprising amortised cost, financial assets (debt instruments) at fair value through Other Comprehensive Income (FVTOCI), equity instruments at FVTOCI and fair value through Profit and Loss account (FVTPL), financial liabilities at amortised cost or FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Financial assets

- a. Financial assets at amortised cost: A financial asset shall be measured at amortised cost if both of the following conditions are met:
 - i. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

- ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortised cost are represented by investment in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

- b. Equity instruments at FVTOCI and FVTPL:

All equity instruments are measured at fair value other than investment in subsidiaries, joint venture and associate. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

- c. Financial assets at FVTPL:

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL. Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

Financial liabilities

- (a) Financial liabilities at amortised cost:

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

- (b) Financial liabilities at FVTPL:

Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognised in the statement of profit and loss.

2.5 Property, plant and equipment

- a. *Recognition and measurement:* Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.
- b. *Depreciation:* The Company depreciates property, plant and equipment over the estimated useful life on a Straight Line method basis from the date the assets are ready for intended use. The estimated useful lives of assets of significant items of property, plant and equipment are as follows:

Category	Useful life
Electrical installations	10 years
Networking Equipments – Owned	6 years
Computers Hardware – Owned	3 years
Furniture, fixtures	10 years
Office equipments	5 years
Motor vehicles	8 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date, with the effect of any changes in estimate accounted for on a prospective basis.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

2.6 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a “Straight Line method”, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The estimated useful lives of intangibles are as follows:

Category	Useful life
Computer software	6 years

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognised.

2.7 Employee benefit

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans.

Defined Contribution Plan

Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service.

Defined benefit Plan

Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following employee benefit plans:

a. Gratuity

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date.

Actuarial gains or losses are recognized in full in the other comprehensive income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

b. Leave Encashment

The employee's compensated absences are Company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance sheet.

2.8 Provisions and Contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract and is adjusted to the cost of such assets.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.9 Lease

a) As a Lessee:

- i. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

- ii. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
- the contract involves the use of an identified asset;
 - the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
 - the Company has the right to direct the use of the asset.
- iii. At the date of commencement of the lease, the Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- iv. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.
- v. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- vi. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.
- vii. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile and jurisdiction of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.
- viii. For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

b) As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.10 Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b. Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The Company recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.11 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

2.12 Current and Non-current classification

The company present assets and liabilities in the balance sheet based on current/non-current classification

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within twelve months after the balance sheet date; or
- d. it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date

All other assets are classified as non-current.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- (a) It is expected to be settled in, the entity's normal operating cycle;
- (b) It is held primarily for the purpose of being traded; it is due to be settled within twelve months after the balance sheet date; or

- (c) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.
All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.13 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.14 Revenue Recognition

Revenue excludes goods & service tax and is recognised in the Statement of profit or loss and other comprehensive income on the following basis:

- i) Trading fees & Clearing fees are recognised on trade date basis, net of any applicable discount or rebate.
- ii) Document handling charges are recognised when the related services are rendered.
- iii) Other revenue comprises:
 - Application Processing Fees / Onboarding Fees / Annual Fees; recognised on a straight-line basis over time as the performance obligation is satisfied;
 - Intercompany cost recharges in connection with expenditures incurred on behalf of group companies. These recharges are recognised when the related expenditures are incurred; and
 - All other fees are recognised when the related services are rendered.

Deferred revenue (the terminology 'contract liability' under IND AS 115 – 'Revenue from contracts with customers' is presented as deferred revenue) is recognised when the customers pay considerations before the Company transfers control of the goods or satisfies a performance obligation. This represents the unsatisfied performance obligations at year end resulting from long-term contracts.

Accrued revenue (the terminology 'contract asset' under IND AS 115 – 'Revenue from contracts with customers' is presented as accrued income) is recognised when the Company transfers

control of goods or satisfies a performance obligation to a customer and has a right to consideration arising therefrom.

2.15 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

Note 23 : Disclosure pursuant to Employee benefits

A. Defined contribution plan:

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and pension fund. Provident fund and pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund and contributions into the pension fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary.

During the period, contribution to Provident fund and Pension fund amounting to Rs 2,342.17 thousand (USD 28.29 thousand), Previous period Rs. 1,986.11 thousand (USD 24.71 thousand) have been charged to the Statement of Profit and Loss, under Contributions to provident and other funds in note 14 "Employee benefits expense".

B. Defined benefit plan:

(a) Gratuity

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. Currently, the Gratuity scheme is unfunded.

Note 24 : Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2.4 to the financial statements.

Fair Value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Ø Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Ø Level 2 – Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Ø Level 3 – Inputs are not based on observable market data (unobservable inputs).

The carrying value of financial instruments by categories is as follows and the Company consider that the carrying amounts of below mentioned financial assets and financial liabilities recognised in the balance sheet approximate their fair values.

Note 25 : Financial Risk Management

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets includes Cash and cash equivalents.

The Company's activities expose it to a variety of risks: Liquidity risk, Foreign Currencies risk, Interest rate risk.

Foreign currency risk:

United States Dollar (USD) is the functional currency of the Company, thus the Company's exchange risk arises from its foreign currency expenses. Currency other than USD is considered as foreign currency. Company is using Special Non-Resident Rupee account for discharging the liability of INR.

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rates are sensitive to many factors, including governmental, monetary and tax policies, domestic and international economic and political considerations, fiscal deficits, trade surpluses or deficits, regulatory requirements and other factors beyond the Company's control. Interest rate risk can be controlled by the Company by making investments for tenors not exceeding the pre stipulated period and normally holding investments till its maturity.

Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The table below provides details regarding the contractual maturities of significant financial liabilities as follows.
