Attention of Members is drawn to IFSCA circular No. IFSCA-CSDOMSC/13/2025-DCS dated March 10, 2025 in respect to Guidelines on Cyber Security and Cyber Resilience for Regulated Entities in IFSCs.

As part of the compliance requirement to the above circular, Members are advised to identify and classify their business functions and supporting processes based on their criticality to overall operations and potential impact on performance.

Members are required to ensure implementation of robust backup and disaster recovery systems as part of the risk assessment of business criticality, sensitivity of holding data and potential impact on other systems.
