Subject	Request for Creation of Dealer and Client Trading Terminal Login - iMINT Prime Trading Application		
Attachments			

Members are hereby informed that, as part of the implementation of the new **SPOT Trading Application**, IIBX shall provide a facility to Members for offering Trading Terminals to their Dealers and Clients.

The **Dealer Trading Terminal** may be used for placing orders on behalf of multiple Clients, whereas the **Client Trading Terminal** shall be mapped to a specific Client Code and shall permit placement of orders only for the mapped Client Code.

Request for Creation of Terminal: Members desirous of providing Trading Terminals to their Dealers and/or Clients shall submit a request to IIBX Trading Operations department (trading.operations@iibx.co.in) in the format prescribed in **Annexure A**.

The request shall be submitted by an authorized representative of the Member through the prescribed process and shall contain complete and accurate details of the proposed Terminal/user.

Upon verification and approval of the request, IIBX shall create the Terminal ID. Login credentials and/or instructions for accessing the application shall be communicated through the registered communication channels, as applicable.

Modification / Deactivation of Terminal: Any request for modification or deactivation of an existing Terminal ID shall also be submitted by the Member through the prescribed process.

Members shall promptly intimate IIBX in the event of:

- Change in the authorized user;
- Change in the registered mobile number or email ID;
- The user ceasing to be authorized to access the application; or
- Any suspected compromise or unauthorized use of login credentials.

Responsibilities of Members: Members shall ensure that:

1. Terminal IDs are created only for duly authorized persons.
2. Login credentials are not shared with or disclosed to any unauthorized person.
3. Any change in user details, authorization or cessation of association with the Member is promptly communicated to IIBX.
4. The Member remains responsible for the use of the Terminal ID and login credentials created at its request and for ensuring compliance with all applicable rules, regulations, circulars and procedures of IIBX.

Rights of IIBX: IIBX reserves the right to verify the information submitted by the Member and to approve, reject, modify, suspend or deactivate any Terminal ID/user access, as deemed necessary, in accordance with applicable regulatory and operational requirements.

Effective Date: The above process shall come into effect from the **Go-Live of the new SPOT Trading Platform** and shall remain subject to such modifications, instructions and procedures as may be communicated by IIBX from time to time.

Members are requested to take note of the above and ensure strict compliance with the prescribed process for creation and management of Dealer/Client Trading Terminals.
